The Female Premier Cricket Youth League Code of Conduct is set out in clause 4.1.3.
- 4.1.2 All players, umpires and officials competing in the Female Premier Cricket Youth League are bound by and required to comply with the Female Premier Cricket Youth League Code of Conduct published in these Rules.
- 4.1.3 The following offences are adopted from the Cricket Australia Code of Conduct and for illustrations of the application of each, reference should be made to the guidelines that accompany the Cricket Australia Code of Conduct (reproduced in the boxed section below each Offence below). The provisions of the Rule itself take precedence over any guidelines.

LEVEL 1 OFFENCES

- 1.1 Abuse cricket equipment or clothing, ground equipment or fixtures and fittings.

Includes actions outside the course of normal cricket actions such as hitting or kicking the wickets and actions which intentionally or negligently result in damage to the advertising boards, boundary markers or any part of or the contents or any building or structure at the ground.

- 1.2 Show dissent at an umpire's decision.

Includes excessive, obvious disappointment with an umpire's decision or with an umpire making the decision and obvious delay in resuming play or leaving the wicket.

This Rule does not prohibit the bowler involved in the decision or a team captain from asking an umpire to provide an explanation for a decision, or the captain from commenting on the umpires' performance in their Captain's report.

- 1.4 Engaging in excessive or unnecessary appealing.

Excessive shall mean repeated appealing when the bowler/fielder knows the batsman is not out, with the intention of placing the umpire under pressure. It is not intended to prevent loud or enthusiastic appealing. However, the practice of celebrating or assuming a dismissal before the decision has been given may also come within this Rule.

Dissent should be classified as serious where the dissent is expressed by a specific action such as the shaking of the head, snatching cap from the umpire, pointing at pad or bat, other displays of anger or abusive language directed at the umpire or excessive delay in resuming play or leaving the crease.

This Rule does not prohibit the bowler involved in the decision or a team captain from asking an umpire to provide an explanation for a decision, or the captain from commenting on the umpire's performance in their Captain's report.

- 2.2 Engage in inappropriate and deliberate physical contact with other players or officials.

Without limitation, players will breach this Rule if they deliberately walk or run into or shoulder another player, official or match official.

- 2.3 Charge or advance towards the umpire in an aggressive manner when appealing.

- 2.4 Deliberately and maliciously distract or obstruct another player or official on the field of play.

This is not intended to replace Law 42(4) and (5) of the Laws of Cricket.

Without limitation, players will breach this Rule if they deliberately attempt to distract a striker by words or gestures or deliberately shepherd a batsman while running or attempting to run between wickets.

- 2.5 Throw the ball at or near a player or official in an inappropriate and/or dangerous manner.

This Rule will not prohibit a fielder or bowler from returning the ball to the stumps in the normal fashion.

- 2.6 Use language that is obscene, offensive or of a generally insulting nature to another player, official or spectator.

FEMALE PREMIER CRICKET YOUTH LEAGUE GENERAL RULES

2.7 Change the condition of the ball in breach of law 42.3.

Prohibited behaviour includes picking the seam or deliberately throwing the ball into the ground for the purpose of roughening it up and the application of moisture to the ball other than perspiration and saliva.

2.8 Without limiting Rule 8, attempt to manipulate a Match in regard to the result, net run rate, bonus points or otherwise. The captain of any team guilty of such conduct shall be held responsible.

Prohibited conduct under this Rule will include incidents where a team bats in such a way as to either adversely affect its own, or improve its opponent's performance points or net run rate.

Includes appealing in an aggressive or threatening manner.

3.2 Threaten to assault another player, Team official or spectator.

LAWS OF CRICKET AND 'SPIRIT OF THE GAME'

5. Players must obey the 'Laws of Cricket' and play within the spirit of the game.

This is meant as a general Rule to deal with situations where the facts of, or gravity or seriousness of the alleged incident are not adequately or clearly covered by the Level 1 to 4 offences set out above.

Conduct which will be prohibited under the Rule includes time wasting and any other conduct which is considered "unfair play" under Law 42 of the Laws of Cricket.

This Rule is not intended to punish unintentional breaches of the Laws of Cricket.

Reference may be made to any statement or explanation of the Spirit of Cricket published in conjunction with the Laws of Cricket.

Nothing in this Rule or the Code alters the onus on the captain to ensure that the Spirit of the Game is adhered to as stated and defined in the preamble to the Laws of Cricket.

UNBECOMING BEHAVIOUR

6. Without limiting any other rule, players and officials must not at any time in a cricket related situation engage in behaviour unbecoming to a player or official that could bring them or the game of cricket into disrepute or be harmful to the interests of cricket.

This is also meant as a general Rule to deal with situations where the facts or, or the gravity or seriousness of the alleged incident are not adequately or clearly covered by the Level 1 to 4 offences set out above.

- 4.3.4 Umpires must lodge Code of Conduct complaints with the Competitions Manager no later than 12 noon on Monday following completion of a match in which the alleged offence occurred. Failure by an umpire to comply with this clause does not invalidate the complaint made.
- 4.3.5 Any player reported by an Umpire must have the complaint referred to the Disciplinary Committee who shall:
- (a) Consider the complaint and the level of offence, if any, for which the Club, player or official is alleged to have committed; and

- 4.3.7 Where an umpire has occasion to speak to a player about their behaviour but does not consider the player's behaviour to be so serious as to warrant a report to the Competitions Manager, the umpire shall caution the player.
- (a) An umpire shall note a caution on the Umpire's Match Report and shall lodge a record of the caution with the Competitions Manager.
 - (b) The umpire shall notify the cautioned player via the captain or an official of the player's club of the caution as soon as it is practical on the day which the caution occurs.

- 4.4.8 Should a player receive three cautions (3) over any two-season duration, the player shall receive an automatic one match suspension. Any subsequent caution within the same season will result in the player being required to attend a tribunal hearing.

4.4 Use of Social Media

- 4.4.1 Any player or official who is found to have engaged in or is suspected of engaging in the unacceptable use of Facebook, Twitter, YouTube or any other social networking site, including blogs, may be dealt with by the Competitions Manager as they deem fit.

- 4.5.6 The Competitions Manager may independently refer a matter to the Tribunal as Complainant if it is satisfied that there has been conduct of the kind referred to in clause 4.5.1(b), and shall provide a Protest notice in accordance with clause 4.5.3.
